About Us

Our Vision

Bronze Age Media, Inc. is committed to being the industry leader in career development for the Filipino youth.

Our Mission

To forge partnerships with schools and companies to help transform young people into independent and globally-competitive professionals.

Using new media and special events, we provide our clients with the tools and knowledge to help them plan their professional life as early as possible, in ways that are accessible and fun.

Participants of our programs and subscribers to our publications will become:

- Empowered to make informed decisions about their future
- Engaged with career opportunities in their industry
- Experts at marketing themselves, with an entrepreneurial spirit regardless of what career path they choose
- Exceptional role models and mentors, as they share their experiences and lessons learned
